1. Biomarkers of sepsis: procalcitonin and more

Date: Webinar 2023

Speaker: Marielle Kaplan (Israel) - Clinical Laboratories Division & Clinical Biochemistry Laboratory, Rambam Health Care Campus, The Rappaport Faculty of Medicine, Technion - Haifa, Israel - [Know more]

2. EFLM Lessons in Immunochemistry - Coronary Artery Disease - Predicting the development of coronary artery disease in apparently healthy individuals - the role of Lp (a)

Date: Webinar 2023

Speakers: MICHEL LANGLOIS (Belgium) - Dept. of Laboratory Medicine, AZ St. Jean Hospital, Bruges, Belgium; CHRISTA COBBAERT (The Netherlands) - Dept. of Clinical Chemistry, University Medical Center Leiden, The Netherlands; Nick Nurmohamed (The Netherlands) - Departments of Cardiology and Vascular Medicine of the Amsterdam UMC.

3. Implementation of sustainable practices in medical laboratories switching Clinical Laboratories to Green Labs

Date: Webinar 2023

Speaker: Tomris Ozben (Antalya, Turkey) - Dept. of Clinical Biochemistry, Faculty of Medicine, Akdeniz University, Antalya, Turkey - [Know more]

4. The diagnostic abilities of POC instruments

Date: Webinar 2023

Speakers: Kristin Aakre (Norwen) - PhD, University of Bergen; Paul Collinson (UK) - Departments of Clinical Blood Sciences and Cardiology, St George's, University Hospitals NHS Trust and St George's University of London, London, UK; Angelika Hammerer-Lercher (Switzerland) - Chief Physician and Head of the Institute of Laboratory Medicine, Chairman of the Research Council.

5. Nutrition and biochemistry

Date: Webinar 2023

Speaker: Ruth Ayling (London, UK) - Department of Clinical Biochemistry, Royal London Hospital, Newark Street, London, UK - [Know more]

6. Current concepts for early diagnosis of malignant disease

Date: Webinar 2023

Speaker: Michael Neumaier (Mannheim, Germany) - Dept of Clinical Chemistry, University of Heidelberg and Institute for Clinical Chemistry, Mannheim, Germany - [Know more]

7. EFLM Lessons in Immunochemistry - Hepatic fibrosis - the role of laboratory biomarkers in diagnosis and monitoring

Date: Webinar 2023

Speakers: MASSIMO PINZANI (UK) - UCL, Inst. for Liver and Digestive Health, UK University College London, UK; MORTEN KARSDAL (Denmark) - Nordic Bioscience Herlev, Denmark

8. Semen and sperm examination as a tool to investigate the man – validation of new methods

Date: Webinar 2023

Speaker: Lars Björndahl (Sweden) - University Hospital and Karolinska Institutet , Sweden - [Know more]

9. Digital Transformation: What to do and How to do

Date: Webinar 2023

Speaker: Merve Sibel Gungoren (Turkey) - Md. PhD. - [Know more]

10. The use of metabolic bone markers in childhood

Date: Webinar 2023

Speakers: Artemis Doulgeraki (Greece) - MD, PhD, MRCPCH, FRCPC - Head of the Department of Bone and Mineral Metabolism Institute of Child Health, Athens - Greece; Eleni Athanasopoulou (Greece) - Biochemist Dr. University of Athens, Institute of Child Health - Thivon 1& Papadiamantopoulou (Goudi)

11. EFLM Lessons in Immunochemistry - Anemia

Date: Webinar 2023

Speakers: JOSIPA RADIĆ (Croatia) - Internal Med Dept, Nephrology and Haemodialysis Div, Univ Hosp, Split, Croatia; DANIELA ŠUPE-DOMIĆ (Croatia) - Medical Laboratory Diagnostic Div, University Hospital of Split, Croatia; LEIDA TANDARA (Croatia) - Medical Laboratory Diagnostic Div, University Hospital of Split, Croatia

12. Maintaining Quality with Digital Pathology

Date: Webinar 2023

Speaker: Bethany Williams (United Kingdom) - Dr. Bethany Williams (MBBS PhD) Lead for Digital Pathology education and training. National Pathology Imaging Co-Operative - [Know more]

13. Machine learning based clinical decision support using laboratory data

Date: Webinar 2023

Speaker: Hikmet Can Cubukcu (Turkey) - Turkish Ministry of Health, Department of Rare Diseases - [Know more]

14. Cushing syndrome and its biological work up

Date: Webinar 2023

Speaker: Damien Gruson (Belgium) - Dept of Laboratory Medicine Cliniques Universitaires St-Luc and Universite Catholique de Lovain, Brussels, Belgium - [Know more]

15. The Clinical Utility Of Medical Tests

Date: Webinar 2023

Speaker: Patrick Bossuyt (Netherlands) - - [Know more]

16. The future of laboratory lies beyond its wall

Date: Webinar 2023

Speaker: Janne Cadamuro (Austria) - Dept of Laboratory Medicine, University Hospital Salzburg, Paracelsus Medical University, Salzburg, Austria - [Know more]

17. EFLM Lessons in Immunochemistry - Fertility - the role of Anti Mullerian Hormone

Date: Webinar 2023

Speakers: EVGENIJA HOMSAK (Slovenia) - Dept for Clinical Biochemistry, Faculty of Medicine, University in Maribor, Slovenia; GRUSON DAMIEN (Belgium) - Dept of Clinical Biochemistry, Cliniques Universitaires Saint Luc, Brussels, Belgium; KNEZ JURE (Slovenia) - Dept of Gynecologic Oncology, Faculty of Medicine, University in Maribor, Slovenia

18. Applied genetic methods in reproductive disorder

Date: Webinar 2023

Speaker: Mariam Chipashvili (Georgia) - Dept of Pharmacology, Faculty of Medicine, I. Javakhishvili Tbilisi State University, Tbilisi, Georgia - [Know more]

19. Monitoring the performance of a measurement system for its intended clinical use

Date: Webinar 2023

Speaker: Mauro Panteghini (Italy) - Clinical Pathology Unit, ASST Fatebenefratelli-Sacco, and Dept of Biomedical and Clinical Sciences 'Luigi Sacco', University of Milan, Milano, Italy - [Know more]

20. Diagnosis of Gaucher disease and other lysosomal disorders

Date: Webinar 2023

Speaker: Hans Aerts (the Netherlands) - Dept of Medical Biochemistry, Leiden Institute of Chemistry, Leiden University - [Know more]

21. Cerebrospinal fluid biomarkers for neurodegenerative dementias

Date: Webinar 2023

Speaker: Elisabeth Kapaki (Greece) - Neurochemistry and Biomarkers Unit, 1st Dept of Neurology, National and Kapodistrian University of Athens, 11528 Athens, Greece - [Know more]

22. Fast and furious – integration of (not only) molecular methods for faster results in the microbiology lab

Date: Webinar 2023

Speaker: Nadav Sorek (Israel) - Clinical Microbiology Laboratory, Assuta Medical Centers, Tel Aviv, Israel - [Know more]

23. Evidence-based laboratory medicine

Date: Webinar 2023

Speaker: Andrea Rita Horvath (Australia) - SEALS North, Dept of Clinical Chemistry, Prince of Wales Hospital, Randwick, Sydney, Australia - [Know more]
